## Parsimonious Policy.

Chief Divant and his driver, Cunningham, reached the scene men and women were running from the building with clothing under their arms. The firemen rushed into the building and ran a lead of hose to the roof.

The Chief ran into a court in the middle of the building, over which was a glass roof. Four women had taken refuge there and were dressing. Divani knew that the firemen were on the roof and likely at any time to break through the glass covering to the shaft.
